### Multilateral Internship Programme for Lawyers from 24 April – 1 June 2019

Dear Mr. Gostiljac,

Further to my e-mail of 21 August please find attached the documents for the internship programme 2019 for lawyers, which the German Foundation for International Legal Cooperation (IRZ) will organise in cooperation with the German Federal Bar and the German Lawyers' Association. As in previous years we would appreciate it very much if you would communicate the information about the programme to the Serbian lawyers.

The internship programme is addressed to younger lawyers, who are active in the field of civil and commercial law. Preferably applicants should already have a few years of professional experience, however, also trainees, who must be in the final year of their practical training as lawyer, can apply for the programme. A very good command of the German language is essential and candidates have to be prepared to undergo a language proficiency test, if requested by IRZ.

The following restrictions apply concerning the participation: The internship programme is not open to lawyers:

- who work for a German law firm, i.e. a law firm which has been set up as the branch of a Germany-based law firm and/or operates under the name of a German law firm.
- who work for a law firm, which has offices in Germany
- or who work for a law firm which is a partner law office of a Germany-based law firm.

One place in the programme is scheduled for a Serbian lawyer. Whether a second place can be granted will depend on the number of applications from the countries involved in the programme and the number of places available in the programme.

The following timetable is scheduled for the 2019 internship programme:

24 April 2019	Arrival in Königswinter near Bonn
25 April – 4 May 2019	Introductory seminar in Königswinter
6 May – 29 May 2019	Internship at a German law firm
30 – 31 May 2019	Evaluation seminar in Bonn
1 June 2019	Departure

Concerning the costs, which will be covered by the organisers, please refer to the attached programme description.

Deadline for the receipt of the application documents (filled-in application form, passport photo and tabular curriculum vitae in German) at IRZ is **20 November 2018**. Until this date the application documents must be sent to IRZ **by e-mail**. As the application form has to be filled in on the computer by the applicants, we kindly ask you to forward the application form in Word format as attached to my e-mail of 21 August.

If you have any questions, please do not hesitate to contact me.

Looking forward to continuing our cooperation I remain

Yours sincerely,

Andrea Gräfin Vitzthum
